TEST REPORTS

Report Reference	Date	Laboratory	Test Standards
(5410)292-0102	05/11/2010	BV CPS FRANCE	EN 71-1 : 2005 Safety of toys : Mechanical and physical properties
			EN 71-2 : 2006 Safety of toys : Flammability
			EN 71-3 : 1994 Safety of toys : Migration of certain elements
			Annex XVII item 23 of the REACH (EC) Regulation 1907/2006 relative to cadmium restrictions
			Annex XVII items 51 & 52 of the REACH (EC) Regulation 1907/2006 relative to phthalates restrictions

In lieu of testing and at the request of the client, a documentation review has been done based on the test reports and products provided by the client.

Based on the test reports provided and product characteristics, it is our opinion that the product has been tested according to the relevant European regulations. Results shown on the test reports are satisfactory. However it is your responsibility to prove that the products placed on the market are identical to that for which a documentation review has been done.
